2. Client Requirement / Problem Identified

VIP Cafe Chevella wanted to improve its digital presence, attract more customers, increase Instagram engagement, and build a modern brand identity online.

Problems Identified:

- Low online reach and visibility
- Inconsistent content posting schedule
- Weak social media branding and visual identity
- Low audience engagement on Instagram

3. Solution Proposed by ZEN_X

- Instagram page handling and full account management
- Creative food poster design aligned with cafe branding
- Reels & short-form content creation for maximum reach
- Content strategy planning and scheduling
- Audience engagement support (comments, DMs)
- Overall branding improvement and visual consistency

4. Phase-wise Plan

Phase 1 – Setup & Strategy

- Analyze cafe branding and existing content
- Create a social media strategy tailored to the cafe
- Optimize Instagram profile (bio, highlights, link)

Phase 2 – Content Creation

- Design professional food posters and branded graphics

- Upload Reels and posts on a regular schedule
- Improve visual identity and feed aesthetic

Phase 3 – Growth & Monitoring

- Active audience engagement (replies, reach)
- Increase organic reach and visibility
- Performance monitoring and monthly reporting

5. Services Provided

■ Instagram Handling	Full account management including content strategy, reel posting, audience engagement
■ Content Creation	Professional food photography edits, graphic posts, Reels
■ Poster Designing	Branded promotional posters for food items and special offers
